Assessor Comments	Buyers, Here is a great line of well bred EU PTIC Angus Young cows. These cows have great breeding with a reputation. Cows have good length of body with plenty of weight but still remain very feminine types. Cows are very soft easy doing types. Cows are very fertile being joined for 2 months to Clunie Range Malicia N1061, cows are 3 to 4 months PTIC. This is a very quiet line of young cows with years of top quality genetics. Note 1 cow had knocked in hip but not detrimental. 2 cows have very slight white under line.
