Assessor Comments	Buyers a great opportunity to secure a 3in1 package. A very good line of predominately large framed Cows, with the lighter weights assessed as medium frame being first and second calf heifers. Cows rejoined to Simbrah bulls, they are doing a great job on their calves with most being weanable weights. Cows best described as young to middle aged with 5 older cows mouthed to be all sound mouth with 1 showing slight wear, they have the quality, breeding and softness to be an asset to most breeding herds and are rejoined in the perfect window. Cows were bred on vendors Mulga properties south of Mitchell and moved to Lagoona where they have done exceptionally well after recent rains. Please note there are 52 Cows and 49 calves, 1 cow has twins and 4 springers are yet to calve.
