Assessor Comments	A quality line of EU Charolais/Angus X heifers PTIC to low birth weight Clunie Range Angus Bulls. Hfrs were very good to handle at assessment and provide a great opportunity to purchase quality breeders. Heifers are well bred with Ascot & Palgrove bloodlines and are due to calve April/May. **Please Note** Heifers were assessed as a mob and will be sold in 2 lots - 48hd and 49hd. Heifers were yarded on Monday before the rain event so didn't weigh as much as they looked as they walked in a new paddock.
