Temperament

Quiet: 10 head Slightly Stirry: 2 head	Quiet: 10 head Slightly Stirry: 2 head	Temperament not assessed in Paddock

No aggression showed in yards just two heifers bit flighty when drafting and same were jumpy in crush being mouthed but settled in yard with their calves soon afterwards as video suggests. Observed outside in holding yard and were content to stand near vehicles and yards while we were assessing the other lots.

Handled With	Bikes , On foot
Assessor Comments	Nice pen of Brangus heifers that are doing a great job on their calves, good maternal heifers showing great milking ability and will become real good matrons. One heifer has a scar high on hind leg not hindering her movements in any way. NB This vendor has other lots in this sale.
