Temperament

Yards	Crush	Paddock
Quiet: 11 head Slightly Stirry: 2 head	Quiet: 9 head Slightly Stirry: 4 head	Temperament not assessed in Paddock

These heifers were the last lot to be drafted and weighed with a few to begin showing signs of being agitated having spent several hours in yards and especially being separated from their calves. No aggression just a couple become flighty in yards and 4 were anxious in the crush while being mouthed and none left the crush in a fast or dangerous manner. Settled ok when put back with their calves.

Handled With Bikes , On foot

Assessor Comments Real handy pen of Charbray heifers with fresh CAF. Showing great milking and maternal abilities these heifers will become great matrons. NB This vendor has other lots in this sale.
