Assessor Comments	A good line of XB Cows that have mainly Droughtmaster X calves at foot that average 106kgs. Cows have been running back to Watasanta Sangus & Oakey Creek Speckled Park Bulls. Unable to mouth cows, but appear young to middle age & all have good sound udders. One little calf was trod on during handling & was a bit hoppy after assessment, but should come good. The vendor has another 2 lots in the same sale that would help to make up a B-Double.
