Assessor Comments P.T.I.C. Angus Heifers A very attractive line of vendor bred Angus heifers that will stand any inspection. These heifers have 20 years of Banquet blood running through their veins and will go on to be very productive, roomy females. They were joined up to a Hicks black composite Bull for a very tight 3 week joining period. A lovely line of Angus heifers that would

	complement any herd or be a fantastic way to start a herd. Please note one heifer has small patch of white on her belly behind her navel.
