Very easy to handle females that have been educated through the yards. brought up the race one at a time to stand on the scales. and let out through the door at the front of the crush without hassle. Lovely natured Herefords that could be handled by a stockman of any experience.

Handled With	Dogs , Horses , On foot , Vehicles
Assessor Comments	Long, soft bodied females with plenty of bone. Good, rich, healthy colouring & a soft general maternal presence about them. Very nice line of young breeders to take on. Purchased through an in-house client who has run a closed Kanimbla blood Hereford herd for the better part of 10 years. P.T.I.C to the Kanimbla Blood sire. Quiet enough for a hobby farmer wanting a few nice females for a bit pasture maintenance, or a buyer wanting to boost numbers in part of a bigger operation. Please see photos & video for full contentment.
