Frame	Quality Grades	Store Condition	Carcase Quality

Very Large	40%	Excellent	100%	Fwd Store	65%	HQ1	85%
Large	60%			Store	35%	GAQ	15%

Temperament	Yards	Crush	Paddock
	Quiet: 4 head Slightly Stirry: 1 head	Quiet: 3 head Slightly Stirry: 2 head	Temperament not assessed in Paddock

Experienced young females to handle through the force, race & crush. All stepping up on the scales and standing sensibly. Just 2 Heifers doing a bit of rocking back and forth. Generally quiet in and around the yards, just a couple of heifers that prefer to push to the back of the mob and avoid the pressure. Good to walk around in the holding paddock and get photos of.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	*Rare & Outstanding offering of some Ex stud females of top class pedigree* Absolutely enormous growth for age. These are big strong females of pure class, already displaying plenty of milk and all the right attributes to go on and be outstanding mothers. The Brewer family have been producing Black Simmental's for the better part of 20 years as both a stud & a commercial operation with a key focus on producing easy calving, high marbling stock with top percentages for EMA & Fat. Bred in the purple, These healthy young Females carry a long rich history of high performing Black Simmental genetics. PTIC to Brewer Beef Black Simmental Stud Bulls for an early February calving. These females present an excellent opportunity for someone wanting to run a small lot of top quality breeders, add to an existing herd, or alternatively calve down and take advantage of the buoyant Heifer & calf market. Top females that come highly recommended. Please see photos & video for full contentment.
