All these heifers were very quiet to handle.

Handled With On foot , Vehicles

Assessor Comments This sale represents the dispersal of the Manooka herd. These heifers are very quiet and look top notch. They are the tops of their drop and are out of very good quality cows which are also in this sale. If you want quiet heifers these will fit the bill. Their mothers all originate from local North East Victoria herds and were purchased as weaners from Yea or Barnawatha. Their sire was Anvil Angus bull L402
