These cows were quiet to handle. One cow stirred up in crush but settles when in mob.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	The Whites are selling these cows as they moving more females to a spring calving. The did a good job on their calves this year. They are PTIC to Witherswood Angus bull N154 to calve late February to Mid April. The two older cows show some cracking and growth in front hooves but walk well.
