Assessor Comments	"Herd Dispersal" property sold. The final stage of this breeders cattle dispersal is a draft of Angus and BB heifers joined for a winter calving (June - Aug) to Chiltern Park Angus bull. Heifers are in fair order but by no means pushed along given the pending sale. Breeder has every confidence joining will be successful. Property handover is imminent so holding cattle for a pregnancy test isn't possible. These heifers are worthy of consideration given the strength of weaner calf prices. Some animals with warts.
