Very Quiet cows. Only an odd cow moved around in the crush/weigh box but showed no aggression at all, cows walked off their calves with ease and stood calmly for photos and videos.

Assessor Comments	An Extremely quiet lot of 14 x 14 re joined Angus Cows and Calves, 3-6 year old cows by Te Mania Emperor, Te Mania Berkley, Androssan Fairfax and Rennylea Edmund Bloodlines. Doing a very good job with their calves at foot, have been running back to same Bull from 13/10/21 for 8 weeks 6/12/2. Calves have been marked and vaccinated for buyers convenience. An excellent opportunity for purchasers to add some calm and quality units to their respected herds or a wonderful opportunity to purchase this lot to start a new herd. Cows and Calves flowed through the yards with ease and presented in forward condition. Quiet lots of this quality do not come up for sale very often.
