Very good to handle in the yards. Just One heifer that got slightly agitated in the crush but was fine when released. Vendor has been very happy with the temperament of these Heifers since they arrived on the property.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	A line of locally bred, Leawood Angus Blood Heifers with Speckle Park calves at foot. Heifers are of good frame, in Forward Store to Prime Condition and doing a very good job with their calves, which are even and sappy. There are a few of the younger calves that have not had their Second 5 in 1. Eartag numbers for these will be advised. One Heifer had a Caesarian section and has healed well but scar still visible (see photo). Another heifer with pinkeye scarring in one eye . Please also note there are Two fostered, Speckle Park X Calves in the mob with Heifers that lost their calf.
