Assessor Comments	This is a complete dispersal sale of all F1 cattle on the property. These heifers are in great condition despite the very wet winter and spring they have been through they are doing a great job of their Limousin calves the calves are by Billy Creek Limousin bulls. These Heifers are very quiet and would suit a hobby farmer starting up a vealer operation or a great top up for an existing vealer operator. The heifers are not rejoined so take them home to the bull of your choice. Calves are not marked. The vendor also has 3 other lots on this sale
