A very quiet mob of cows who are handled well by the vendor, & were a pleasure to assess through the yards & crush.

| Assessor Comments | A top class line of young 2nd. & 3rd. Calf “Franc’s Angus” blood cows, for genuine dispersal as the property has been leased. They will present in excellent condition with even fat cover. The calving period is a tight 9 weeks. They are very quiet, a pleasure to handle. I cannot recommend these cows more highly. 1 cow has a white udder. Also note a line of 20 - 4th. & 5th. Calf cows from the same vendor is also in this sale. The Wilkinson’s have produced many quality Angus weaners over the last 20 years. |
