Temperament

Quiet: 20 head	Quiet: 20 head	Temperament not assessed in Paddock

A very quiet mob of cows who are handled well by the vendor, & were a pleasure to assess through the yards & crush.

Handled With: Vehicles

Assessor Comments: A top class line of young 4th. & 5th. Calf “Toora West & Jackson’s” Angus blood cows, for genuine dispersal as the property has been leased. They will present in excellent condition with even fat cover, principally large framed. The calving period is a tight 9 weeks. They are very quiet, a pleasure to handle. I cannot recommend these cows more highly. 4 cows have a splash of white on their udder. Any cow that had any fault has been culled out of this mob. Also note a line of 25 - 2nd. & 3rd. Calf cows from the same vendor is also in this sale. The Wilkinson’s have produced many quality Angus weaners over the last 20 years.
