| Assessor Comments | Genuine dispersal sale, as Vendor is getting out of all cattle. Quality run of Euro Friesian X cows in forward store condition. Vealers sold off these cows only 2 weeks ago and cows starting to stack on the weight. Have reared exceptional vealers over recent years and are a pleasure to handle in good facilities. Were synchronised and AI'd to quality Speckle Park bulls and backed up with quality Parkview Limousins bulls. Vet comments were 60% early calving. These cows would compliment any vealer operation. NOTE: Vendor has 4 other lots in this sale. |
