Assessor Comments	A line of small to medium framed ewe lambs with the smaller frame lambs as a reflection of their age. These lambs will grow into robust woolgrowers that will respond well to good feed and grow into line of breeders as well as producing outstanding wool and lambs .Please note that these sheep were only in yards for one hour prior to assessment. This is 1 lot of 2 lots of the same sheep in the same sale. The wether portion of these lambs are in this same sale.
