Assessor Comments

Weaned W/S X Lambs that are well bred out of solid medium frame ewes by very good quality Glenfinnan W/S Sires. These lambs show attributes of quality breeding with good bone and length of body. Lambs show only very light fat cover and would respond to less rank feed. Good lambs that have a very positive reputation of performance. Lambs weighed 23-28.5kg 1 hour off feed. Lead draft also in this sale. Note: odd scur and small horn .
