| Assessor Comments            | Nice little line of 60 Quality 1st cross ewe lambs. Bred out of medium frame merino ewes and sired by outstanding "Ryanna" blood Border leicester Rams. All lambs are Gudair vaccinated, and shorn up ready to go forward. coming out of one of the wettest seasons on record they haven't had the chance to really perform, but given some sun they will go ahead fast. They present with plenty of length and frame, and will grown into great future breeders. All were weighed. Pervious purchasers of these ewes were very happy. Tail taken out. |            |        |
