Assessor Comments	52 x Tidy young merino ewe lambs and hoggets. just starting to cut 2 teeth, averaging 43kgs at assessment. gudair vaccinated and November shorn. They are really starting to perform after a long wet season and will certainly be right to join in the coming weeks. Good medium frame sheep that will fill bales and breed the house down. small percentage has wool damage/dermo but has been shorn out and should recover with some dry weather. odd ewe was soft in the feet from the wet, but no sign of scald at assessment.
