JD Approved Vaccinates	Sheep are not JD Approved Vaccinates.		
Vendor Comments	Annual sale of store wether lambs		
Assessor Comments	Wether portion of the Moyle's offering consisting of approx. 500 ewe lambs with 2 x 225 lines being offered as runs out the gate and a small line of younger lambs, as well as these wether lambs. With the season running out it is now time to move on with these wether lambs. Having been grain imprint fed 12 times over 3 weeks & Weaned on the 15th of October these lambs would be ideal lambs to shear off and fatten on a summer crop or in a feedlot. The tops of these wether lambs killed out at 22.7kg (45%) after being weaned for 3 weeks.
