Vendor Comments	Selling our annual draft mix sex spring drop 1st x progeny.
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	The Gaussian family are selling their annual draft of 1st x Boarder Lester Merion mix sex spring drop lambs. These ewes are large frame and out of excellent Pembroke BL that are chosen on growth and number of lambs weaned. The mothers of these ewes are Grogansworth blood merino ewes that are also large framed and usually cut 19-21 micron and plenty of it. These ewe lambs will grow out well and the ewe portion should produce plenty of xb lambs in the future. Please note there is another line of 220 June drop 1st x ewes off the same property in the same sale as well as 220 wth lambs.
