Assessor Comments	The Gaussian family are selling their annual draft of 1st x Boarder Lester Merion ewes. These ewes are large frame and out of excellent Pembroke BL that are chosen on growth and number of lambs weaned. The mothers of these ewes are Grogansworth blood merino ewes that are also large framed and usually cut 19-21 micron and plenty of it. These ewe lambs will grow out into big ewes and produce plenty of xb lambs in the future. Please note there is another line of mix sex younger 1st x lambs off the same property in the same sale.
