Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.		
Assessor Comments	A very handy line of June/July 21 composite ewe lambs that would be ideal to either run through as breeders or to shear and tuck away for a late summer/early autumn joining. Lambs come from a flock that is based on Cashmore Oaklea blood with a recent introduction of Wairere Romneys. Options are endless with this smart line of ewe lambs.
