Assessor Comments	A line of first cross ewe lambs which were purchased out of large frame SA ewes and Inverbrackie Border Leicester rams. Ewes were purchased as an entire 2021 drop with a small tail removed. Gudair vaccinated, shorn and drenched, ewes are offered with an exceptional bill of health and will no doubt be ready to take the ram of your choice. I have no doubt that these ewes will be the perfect article to breed exceptional lambs to target the promising trade to export weighted markets.
