Assessor Comments	1200 Weaned, 2nd X lambs July August 2020 drop. We are selling 500 in this lot and 700 in another lot as a run out the gate basis. All lambs have been weighed into tight weight range from 35kgs to 40 kgs to Average 37kgs. . These lambs would suit the supermarket trade or would grow out to extra heavy export weights if so desired. Plenty of frame, stretch and shape in these lambs. They are out of big B/L Merino x ewes by Poll Dorset and Suffolk rams from LSK & Konongwootong.
