	It would be hard to find a line of cattle that are as easy to handle. They drafted through the pound easily ;filing through the race & stood in weigh crush without a care in the world! Only a couple of steers got a little fidgety in the weigh crush and up the race.							
Handled With	Bikes , Dogs , Horses							
Assessor Comments	Santa has come early & delivered you the opportunity to purchase these top quality vendor bred No-1's steers. The steers are bred from a fertile & quality cow herd base with only top quality Santa sires being used. They are chock full of frame & softness and have had a brilliant start to life which enables to buyer of these steers to capitalize & continue to effortlessly put more size, weight & finish onto these steers. With such an easy going temperament & top quality breeding, buying these steers is a must! *Please note - They were treated with 200 day Compudose in early July 2020 * They also have some lighter trade weight feeder steers in the same sale
