	A small but quality line of cattle that are very easy to handle. They drafted through the pound easily; filing through the race & stood in the weigh/crush without a care in the world! Only a couple of steers got a little fidgety in the weigh crush and up the race.					
Handled With	Bikes , Dogs , Horses					
Assessor Comments	A small quality line of vendor bred No-1's steers. The steers are bred from a fertile & quality cow herd base with only top quality Santa sires being used. They have had a great start to life which enables to buyer of these steers to capitalize & continue to effortlessly put more size & weight into these steers. With such an easy going temperament & top quality breeding, you can buy these steers with your eyes shut! *Please note - They were treated with 200 day Compudose in early July 2020
