Assessor Comments	Buyers, here is a line of light weight weaned EU Angus & Angus cross steers that avg 172kg. Steer present in strong store condition with plenty of compensation weight gain. Steers have good length of body. These steers are bred out of Angus cross medium to large frame cows by Carabar Angus bulls. They worked well through yards with only odd steer agitated in crush. These steers are grass only eligible. Note 3 steers had slight blue eye scarring but not detrimental.
