Assessor Comments	Buyers, here is a A grade line of well bred EU heifers that average 327kg . They have tremendous softness with bone and muscle expression, great length, depth of flank with plenty of volume and skin. Heifers are showing great bred type and femininity. Heifers are bred out of soft medium to large frame Simmental, Santa and Droughtmaster cross cows by Top quality stud Simmental, Santa and Hereford sires. These heifers are very quiet to handle. Note 2 heifers had slight blue eye spec, but not detrimental. This is a great opportunity to purchase a line of genuine replacement heifers ready to join.
