Assessor Comments	Buyers, here is a line of light weight weaned EU Angus cross heifers that avg 178kg. Heifers present in strong store condition with plenty of compensation weight gain. Heifers have great length of body and are ready to do. These heifers are bred out of Angus cross medium to large frame cows by Carabar Angus bulls. They worked well through yards with only odd heifer agitated in crush. These heifers are grass only eligible. Note 5 heifers had slight blue eye scarring but not detrimental.
