Assessor Comments	A nice line of one mark vendor bred heifers that present in forward store condition. Heifers are starting to drop their winter coat and are currently doing very well. Heifers are bred from a large herd of Angus and Angus cross females sired by the Bald Blair and Heart Angus bulls. Heifers would be ideal to join next year and add to a breeding program or ideally add weight on given the season we are currently experiencing. please note that the lighter weights are later drop calves in this lot. Vendor has one other lot of heifers in this sale as well
