| Assessor Comments  | A very tidy two deck consignment of feeder steers presenting in ideal condition and weight range. From a long established                                                                                                            |

herd and principally by Karoo or Millah Murrah sires. Note two steers in lot have thrown to the red gene - if this is a problem we can leave off the truck. Treated with their first Bovillis MH + IBR shot at assessment so should be timed ready to receive their second by arrival at the lot. Please not due to the end of the year fast approaching we have extended the delivery period through until the 8th of January if you wish to stage these steers for arrival over the holiday period. Happy to work in to suit your requirements. Worthy of close consideration. Tick all the boxes.
