Assessor Comments Angus & Angus Cross Steers, Vendor bred (Crawford & Bongongo Blood), Ideal steers for grass fattening and/or to go into a feedlot. Total of 133 head being offered, in 2 lots with a run out the gate draft upon delivery as a 67 and an 66. Please note 8 with old pink eye scarring in one eye and 20% with odd warts on head & neck, not detrimental in assessors opinion (these figures are based on total 133 head being offered). NB: Shorthorn Cross/Black Baldy - purchaser choice to keep with lot or take out. All steers were individually weighed at assessment.

|                    |                                                                                                                                                                                                                                                                                                                                                                                              |
