Assessor Comments	On offer are a QUALITY line of 20 Murray Grey / Shorthorn X Heifers that are 14-15 months of age & average a curfewed weight of 314kg. These Heifers are out of Murray Grey / Shorthorn X QUALITY BREEDING cows & by Black Ayr Park Murray Grey blood Bulls. They show plenty of frame and are cattle that will suit any buyer looking to put weight on them FAST. Vendor would usually take Heifers on to heavy export cattle or use as breeders but just has not got the room on property this year and has the confidence that they will be profitable else where. Great opportunity to secure a SMART line of Heifers to feed on or breed with.
