	Heifers were a pleasure to handle in the yards, odd heifer stirred up on the scales or when mouthed. Heifers appear to have a very calm eye.		
Handled With	Bikes , On foot , Vehicles		
Assessor Comments	A lovely line of quality Maternal type Charolais heifers. Heifers were very quiet to handle and have a very calm eye. These heifers have been running on an old crop stubble with very fresh green pastures. Heifers would be suitable for joining to the bull of choice or taking on to grow into killable heifers.
