| Assessor Comments  | 27 vendor bred black steers being offered up for sale as the annual draft of weaner cattle, these calves show good growth for age and Angus style. Quality steers that would feed onto well on summer crops or would go onto feed to hit mid fed markets or put away and turn into heavy weights. Please note cattle have been vendor bred on clients eastern properties and have been delivered to Carrathool for weaning and sale.. *Vendor also has 3 other lots in Weaner and Yearling Sale. Thanks |
