Assessor Comments	6 vendor bred Angus sired Grey steers being offered up for sale as the annual draft of weaner cattle, these calve show good growth for age and Angus style. Quality steers that would feed onto well on summer crops or would go onto feed to hit mid fed markets or put away and turn into heavy weights. Please note cattle have been vendor bred on clients eastern properties and have been delivered to Carrathool for weaning and sale.. Biggest calf has a slight old pink eye scarring, not detrimental. *Vendor also has 3 other lots in Yearling and Weaner Sale. Thanks
