Assessor Comments	Annual sale of noted doing Santa x steers, Steers were put in yards 4 days prior to assessment on good quality hay for weaning purpose. Steers were castrated 6 weeks ago and in my opinion 4 steers are still showing male characteristics but with time will definitely will soften. Welsby Park spend alot of time and money to breed dual purpose cattle these young steers have the genetic ability to preform either grass finish, background or grain assist. Steers sire by well balanced and heavy muscled "Naringalook" sire. Vendor has another 2 lots in sale.
