Assessor Comments	A neat line of F1/F2 wagyu heifers. A very rare opportunity to pick up stock by this specific vendor as the majority of their cattle are sent direct. Heifers are sired by the following bulls; YALFN0029, YALFM0022, YALFN0053. All of the hard work has been done with this line, ticking all the boxes; yard weaned, vendor bred, x2 doses of Bo-Villus in May & were given PG 56 days ago for buyer re-assurance. They have been fed supplementary a mix of barley & lupins, and will be an easy introduction to being put onto feed.
