Assessor Comments	An excellent line of heavy feeder steers that won't take much to top up and finish on the right feed. Big growthy steers with a heap of bone, these steers will finish into heavy export weights quickly of grain of finish on summer crops. Hereford steers were purchased ex Cooma calf sales and the other steers were bought through Victoria. Please note, there is another draft of straight Hereford steers from the same vendor, just located at different property in this sale.
