Assessor Comments	An outstanding line of future breeders! These heifers have it all, breeding and temperament. All are very quiet and easy to handle. The Skeer family have been Team TeMania members for past 11 years and have been using TeMania bloodlines for past 17 years. This is the first time vendor has ever offered a line of heifers. Heifers are sired by TeMania Megahertz M731, TeMania Nalanga N354 & TeMania MulsanneM84. Have focused on IMF and growth. Please Note: there is 6 heifers in line with warts on ears and neck. This is the second draft of 95 heifers in total. please note another 62 in same sale to put a Bdouble together. These heifers come with my highest recommendations buy with confidence.
