Easy to move around in and handle, they stood well on scales

Handled With: Dogs , Vehicles

Assessor Comments	A good line of 42 Angus and Angus cross weaned steers 343kg in good forward store condition. Steers are easy handling in paddock and yards with no vice in the round yard. Cattle have been on lucerne based pastures following the sheep and have done well. With them having been drenched, 5in1 vaccinated, B12, Multimin and a backline for lice these calves have had all the hard work done.
