Vendor Comments These Friesian steers have been reared with the same attention to detail as I would a Friesian heifer. Purposely selected from well bred herds to produce even growth rates within the group. Extremely quiet and well handled.

Temperament	Frame		Quality Grades		Store Condition

	Extremely quiet steers to handle. Bucket reared and well handled steers					

Handled With	Bikes , Dogs , Horses , On foot , Vehicles
Assessor Comments	A very even run of steers that are extremely quiet to handle. These steers have been reared with a very high focus on rumen development and have had all the treatments required. the only thing left to do is finished them off as bullocks.
