Assessor Comments	26 Char/Char X Steers 18-19 Months, April/May 2020 Drop. Mt William & Violet Hills Blood. These steers are some of the best weight for age cattle we sell for the year. A lot of money has been spent on Charolais Sires, from Mt William and more recently Violet Hills. They are flying along and will do some impressive weight gains on feed. Very well handled and extremely quiet. Can't recommend these cattle highly enough. Their sisters are also in the same sale.
