Handled With	Typical dairy cattle Bikes , On foot , Vehicles		
Assessor Comments	A line of 59 well grown Friesian steer calves out of large Holstein cows by AI and Green Glory bulls. These calves are showing good weight for age and with the right conditions will grow into large export steers. The owner has gave these calves a good start with all there vacations. Note; some calves are showing a little bit of ringworm. Cattle will be delivered to Powranna at vendors cost		
Assessor	William Millhouse (Level 3 Accredited) Phone: 0455 626 055
