 D 40%

Temperament Yards Crush Paddock
 Quiet: 9 head Quiet: 9 head Temperament not assessed in Paddock

Handled With The stock are quite used to people and were very quiet and easy to handle in the yards.
 Vehicles

Assessor Comments The quality of these young cattle is a credit to the vendor. The growth and condition of the yearlings is exceptional taking

their age into account. They have performed very well on improved pasture. In good paddock feed or the feedlot these cattle should not take long to finish to trade or export weights.
