Assessor Comments	Annual draft of purpose bred ewe lms reserved for this sale. Sired By ex Stud Rams in the top 1% Maternal \$ index rams selected for fast growth, high fertility, parasite tolerance & moderate mature size. From older ex stud (90%) & commercial ewes all scanned as multiples (3% dry at scanning and 3% dry at lm marking), These lms would be ideal to grow out to be fantastic ewes next spring . Lms were weaned on 8/11 and have settled well on excellent clover pasture. Lambs to be keyhole crutched prior to delivery. Lms from home property also in this sale. 430 in lot sold as two lots of 215 as a run out the gate.
